

Business Management

The Navitas at UMass Boston program offers an alternative pathway to the University of Massachusetts Boston for international students who may not qualify for direct entry and who seek a supportive study environment.

The Navitas UPP is equivalent to the first year of a UMass Boston bachelor's degree program. When you successfully complete Year 1 with Navitas you can move directly into the second year of your undergraduate degree.

All students entering the program are fully matriculated UMass Boston students from day one with Navitas.

College of Management

- Prepares students for careers in Business, Finance, Information Management, Marketing, Accounting, Management Science and Information Systems.
- Princeton Review named College of Management one of the top 300 Business schools in the world.
- Students are pre-approved for one semester of Optional Practical Training (OPT), for 12 credits towards the degree.
- First-rate faculty and diverse, high-achieving student body; the college offers innovative, interdisciplinary curricula tuned to the changing needs of the global economy.
- Graduates of the College of Management are placed locally, regionally, nationally and internationally.

- Accredited by the Association to Advance Collegiate Schools of Business (AACSB International).
- The Aspen Institute Center for Business Education includes the College of Management in 'Beyond Grey Pinstripes', its biennial ranking of the 'Global 100' business schools.
- Students can participate in MAP (Management Achievement Program), a comprehensive program designed to allow students to synthesize their professional goals and experiences.
